Handover	By deadline prescribed by GRIDCO/venue authorities before the event opens
Tender publication	www.gridco.co.in

2. OBJECTIVE OF THE ODISHA PAVILION

The pavilion shall be a professional and engaging space to showcase:

1. Odisha's renewable-energy potential, achievements and future roadmap, including solar, wind, green hydrogen, storage, pumped storage, bioenergy and other such relevant technologies.
2. Government of Odisha policies, programmes, projects and investment opportunities in renewable energy.
3. GRIDCO's role in promotion and development of renewable energy and the State's power-sector transition.
4. Odisha as a destination for renewable-energy investment, innovation and technology partnerships.

3. SCOPE OF WORK

3.1 Design and Concept

- Prepare a concept for the 18 m × 9 m pavilion, including dimensioned floor plan, elevations, 3D views/renders, visitor circulation, branding zones, VVIP / Visitor lounge, display areas, meeting/interaction areas and storage, as appropriate.
- Design must be contemporary, visually impactful, functional and reflective of Odisha's identity and renewable-energy ambitions.
- Submit design, material/finish specifications, technical approach and preliminary itemised BOQ with the bid. Design in hard copy to be mandatorily submitted along with BOQ.

3.2 Structure, Displays and Branding

- Design, fabricate and install structure, fascia, partitions, flooring/platform where required, counters, display panels, graphics, signage and other approved elements.
- Provide suitable display panels, maps, infographics, project information and other visual communication elements; LED/AV equipment where included in your proposed design .
- Use GRIDCO and Government of Odisha logos only in accordance with artwork approved by GRIDCO.
- Comply with venue requirements and applicable structural, fire and electrical safety standards.

3.3 Facilities and Execution

- Provide furniture, reception/counter, seating, meeting arrangements, storage, lighting, electrical distribution, power points and safe cable management as per accepted BOQ and venue requirements.
- Provide all materials, manpower, supervision, transport, loading/unloading, tools, installation and finishing.
- Coordinate with GRIDCO, event organisers and venue authorities for access, approvals, installation timings and services.
- Complete and hand over a clean, safe, fully functional pavilion by the notified deadline; provide on-site support throughout 2–5 November 2026.
- Dismantle/remove installations after the event within the permitted time, leave the site clean and submit completion photographs and required documents.
- Still and Video Camera Team with Gimble to be deputed at the venue through out the event. The agency must share photographs and videos of each day in a drive link on the same day. Also, it needs to submit important photographs immediately to GRIDCO through Mail / Whatsapp for necessary use. Each day 2 reels / shorts is mandatory for social media use.

- GRIDCO will provide the promotional videos, which the agency shall adapt to different screen sizes as required for installation in the pavilion, in accordance with the approved design
- Refreshments like tea / coffee / cookies / chocolates / Water Bottles / Soft Drinks etc. of 100 pax each to be kept ready at the pavilion each day and to be served to the visitors with proper arrangement. Experienced professional manpower to be engaged for this purpose.
- 2000 numbers of Leaflets of multicolor A4 size, 130 GSM to be printed by the selected agency (Content shall be provided by GRIDCO).
- A printer with laptop to be set up there at the pavilion for necessary use
- Adequate number of ushers with professional attire and other quality manpower as required for the pavilion to be engaged.
- Electricity and Internet charges shall be paid extra as per actuals on submission of vendor invoice.

3.4 Media and Public Relations (PR)

The selected agency shall be responsible for planning, coordinating and executing comprehensive media and public relations activities to ensure extensive visibility of Odisha's participation in the Bharat Renewable Energy Summit & Expo 2026 at both national and regional levels.

The scope shall include, but not be limited to, the following:

- **Media Outreach and Coverage:** Develop and implement a focused media outreach strategy to highlight Odisha's participation as a Partner State, its renewable energy potential, policy initiatives, investment opportunities and achievements in the renewable energy sector.
- **VVIP Visits and Dignitary Coverage:** Ensure extensive coverage of visits by the Hon'ble Chief Minister, Hon'ble Deputy Chief Minister, other dignitaries, senior Government officials and industry leaders to the Odisha Pavilion, including their interactions, engagements and key announcements, wherever applicable.
- **Media Coordination:** Liaise with national, regional and local print, electronic, digital and online media organisations, news agencies and relevant industry publications to facilitate coverage of the Odisha Pavilion and its activities throughout the event.
- **Press Releases and Media Materials:** Prepare, coordinate and disseminate press releases, media briefs, background notes, event updates, photographs, captions and other publicity materials in consultation with GRIDCO and the Energy Department, Government of Odisha, ensuring prior approval wherever required.
- **Digital and Social Media Publicity:** Facilitate coverage through relevant digital news platforms, online publications and social media channels to maximise the reach and visibility of Odisha's participation, pavilion activities and key messages. Prepare creative and content for social media handles of GRIDCO and Energy Department, Govt. of Odisha.
- **Minimum Media Coverage Requirement:** The agency shall ensure a minimum of 100 distinct media coverage instances relating to Odisha's participation in the Summit. Such coverage shall include reports on the Odisha Pavilion, VVIP visits, official interactions, renewable energy initiatives, investment opportunities, policy announcements and other significant activities associated with the event. Coverage should be secured across national and regional media platforms, including print, electronic, digital and online news media.

- **Monitoring and Documentation:** Maintain a comprehensive record of all media coverage secured, including the name of the publication/channel/platform, date of publication or broadcast, headline/topic, media category and relevant web links, e-paper extracts, clippings, screenshots or other verifiable evidence, as applicable. Duplicate links or repeated uploads of the same report shall not be counted as separate coverage instances.
- **Post-Event Media Report:** Submit a consolidated media coverage report to GRIDCO after completion of the event, documenting the coverage achieved, media-wise details, supporting evidence and an overall assessment of the publicity generated. The report shall be submitted within the timeline specified by GRIDCO.

All media and PR activities shall be undertaken in close coordination with GRIDCO and in accordance with instructions issued by GRIDCO and the Energy Department, Government of Odisha. All press releases, official statements, creatives and publicity materials shall be subject to prior approval by the authorised officials, wherever required.

3.5 Outdoor Advertisement and Publicity

The selected agency shall plan, design, produce, install and maintain outdoor advertisements in New Delhi to publicise the participation of the Government of Odisha as a Partner State in the **Bharat Renewable Energy Summit & Expo 2026**, highlighting Odisha's renewable energy potential, investment opportunities, policy initiatives and commitment to the promotion of clean and sustainable energy.

The scope of work shall include the following:

- **Creative Design and Development:** The agency shall develop suitable, visually appealing and impactful creative designs for outdoor advertisements, incorporating the approved branding, logos, key messages and other communication elements relating to Odisha's participation in the event. The designs shall be submitted to GRIDCO Limited for review, modification, if required, and final approval before production or installation.
- **Advertising Locations / type/ duration:** Outdoor advertisements shall be installed at the locations / type / duration specified in **Annexure-II** of this tender document. The agency shall undertake the necessary coordination, permissions, bookings and other arrangements required for displaying the advertisements at the designated locations, as applicable before, during and after the event; totaling each to maximum 7 days.
- **Production and Installation:** Upon approval of the creative designs by GRIDCO, the agency shall arrange for the production, printing, fabrication, transportation and installation of the advertisements in accordance with the approved specifications and within the timelines prescribed by GRIDCO. The advertisements shall be of good quality, clearly visible and professionally executed.
- **Publicity and Visibility:** The outdoor advertising campaign shall be planned to ensure effective visibility and maximum publicity for Odisha's participation in the Summit & Expo, particularly in the run-up to and during the event. The agency shall ensure that the advertisements prominently communicate Odisha's Partner State status and other key messages approved by GRIDCO.
- **Compliance and Maintenance:** The agency shall ensure that all advertisements comply with applicable laws, local authority regulations, site-specific requirements and permissions. The agency shall also be responsible for

maintaining the advertisements in proper condition throughout the approved display period and for rectifying any damage, defect or display-related issue promptly, at no additional cost to GRIDCO.

- **Documentation and Completion Report:** The agency shall submit GPS photographic evidence of the installed advertisements, indicating their locations and display status, along with other relevant supporting documents as required by GRIDCO. A consolidated completion report shall be submitted within the timeline specified by GRIDCO.

The agency shall undertake no production, installation or display of any advertisement without prior approval of the creative design and the relevant arrangements by GRIDCO. The cost of all activities covered under this scope shall be included in the financial bid, and no additional payment shall be admissible unless specifically approved in writing by GRIDCO.

3.6 Chief Minister's / VVIP Lounge

The selected agency shall conceptualise, design, set up and manage a **dedicated Chief Minister's (CM) / VVIP Lounge at Bharat Mandapam, New Delhi**, for the use of the Hon'ble Chief Minister of Odisha and other designated dignitaries during the Bharat Renewable Energy Summit & Expo 2026. The lounge shall be designed to provide a dignified, comfortable, aesthetically appealing and well-equipped space for official interactions, meetings, briefings and other engagements, as required by GRIDCO Limited.

The draft design of the proposed CM/VVIP Lounge, along with the indicative items and arrangements, is provided at **Annexure-III**. The selected agency shall execute the lounge in accordance with the approved design, specifications and instructions issued by GRIDCO. Any modification or deviation from the proposed design shall be undertaken only with the prior approval of GRIDCO.

The scope of work shall include, but shall not be limited to, the following:

- **Lounge Setup and Interior Arrangements:** Provision and installation of appropriate seating arrangements, sofas, chairs, tables, other furniture and furnishings, ensuring comfort, functionality and an appropriate official ambience.
- **Backdrop, Signage and Branding:** Design, production and installation of the backdrop, signage, approved branding elements and standees featuring the Hon'ble Chief Minister of Odisha, as approved by GRIDCO. All designs and content shall be submitted for approval before production and installation.
- **LED Screen and Audio-Visual Facilities:** Provision and installation of LED screens, a sound system, microphones and other necessary audio-visual equipment required for official presentations, announcements, interactions and meetings.
- **Video Conferencing (VC) Facilities:** Provision and operational setup of suitable video conferencing equipment, connectivity and related accessories to facilitate virtual meetings and interactions, wherever required. The agency shall ensure that the complete VC setup is tested and fully functional before the commencement of the scheduled engagements.
- **Photography and Videography:** Deployment of a professional photographer and videography team to cover official engagements, meetings, interactions and other activities taking place in the lounge, as directed by GRIDCO. Photographs

and video recordings shall be provided to GRIDCO in the required format and within the stipulated timeline.

- **Floral Decorations and Bouquets:** Arrangement of suitable floral decorations within the lounge and provision of flower bouquets for the reception and felicitation of dignitaries, as required and approved by GRIDCO.
- **Technical Support and On-site Coordination:** Deployment of adequate technical and support personnel to install, operate and maintain the furniture, LED screens, sound system, microphones, VC facilities and other equipment throughout the required period. The agency shall ensure prompt resolution of any technical or operational issues.
- **Installation, Testing and Dismantling:** Completion of the lounge setup, including installation, decoration, equipment testing and readiness checks, within the timeline prescribed by GRIDCO and before the arrival of the Hon'ble Chief Minister or other designated dignitaries. Dismantling and removal of the installations after the event shall also be the responsibility of the agency, subject to the venue's rules and GRIDCO's instructions.
- **Coordination and Protocol:** The agency shall coordinate with GRIDCO, the designated officials, venue authorities and other concerned agencies for the timely execution and smooth functioning of the lounge. All arrangements shall be made in accordance with the applicable venue regulations, security requirements and protocol instructions communicated by the competent authorities.
- **Food if any shall be consumed at the lounge shall be provided by the agency and shall be billed to GRIDCO as per actuals.**

The selected agency shall ensure that all materials, furniture, equipment, manpower, transportation, installation, operation and other incidental requirements necessary for the satisfactory execution of the above scope are included in its financial bid. The final arrangement shall be subject to the approval of GRIDCO, and no change in the approved design or specifications shall be made without prior written approval.

If any portion of the above scope is found not required, the selected bidder will be notified accordingly, and the corresponding price shall not be considered for payment.

4. ELIGIBILITY AND QUALIFICATION CRITERIA

The following are mandatory. Only bidders satisfying all requirements will be considered for Stage I scoring.

- The bidder shall be a legally registered company, LLP, partnership firm or proprietorship and shall submit registration/incorporation documents.
- The bidder shall have average annual turnover of at least ₹5 crore during the last three completed financial years for which audited statements are available. Submit audited financial statements and/or a CA certificate showing year-wise and average turnover. Higher turnover will receive additional marks under Clause 5.
- Submit work orders or completion/performance certificates for similar exhibition pavilion/stall projects. Projects executed at Bharat Mandapam or Yashobhoomi or comparable major national/international exhibition and convention venues in India will be particularly relevant and may be given preference while selection.
- Submit profile of design and execution team.
- Submit valid PAN and GST registration.
- Submit signed declaration of not being blacklisted/debarred by any Government Department, PSU or public authority as on bid date.

- Submit undertaking agreeing to furnish ₹5,00,000 security deposit by Demand Draft in favour of DDO, GRIDCO Limited within three working days from issue of work order, if selected.

5. THREE-STAGE EVALUATION AND SELECTION (30:40:30)

The maximum aggregate score is 100 marks, allocated as Stage I: 30 marks; Stage II: 40 marks; Stage III: 30 marks.

Stage I – Technical Qualification: Turnover, Experience and Capability (30 marks)

Criteria	Scoring method	Marks
Average annual turnover over last 3 completed financial years	₹5 crore to below ₹10 crore: 10; ₹10 crore to below ₹15 crore: 12; ₹15 crore and above: 15	15
Similar projects completed in last 5 years at major venues in India as mentioned above.	1 -2 projects: 5; 3-4 projects: 6; 5 or more projects: 8;	8
	Similar Experience with Odisha Government Events organized in national or international platforms	2
Design/execution team and mobilisation capability	Assessment of team profiles. (The proposed team along with the relevant documents related to experience to be submitted along with the technical bid)	5
TOTAL		30

The minimum turnover requirement is a pass/fail eligibility condition; turnover marks are awarded only after the bidder meets the ₹5 crore threshold. GRIDCO may verify documents.

Stage II – Design Presentation and Technical Evaluation (40 marks)

Bidders qualifying in Stage I shall present the design submitted with the bid before the Tender Evaluation Committee through a Power Point Presentation (PPT), either by video conference or in person at the GRIDCO Conference Hall, Bhubaneswar at **12 PM of 23.10.2026**.

Criteria	Evaluation focus	Marks
Understanding of requirements	Understanding of event, Odisha's objectives, GRIDCO's role and tender brief	5
Design, concept and visual impact	Originality, aesthetics, Odisha identity, professional presentation	15
Space planning and visitor experience	Use of 162 sq. m., circulation, functional zoning and visitor engagement	5
Content, branding and communication	Renewable-energy storytelling, policy/project displays and investment messaging	10
Technical feasibility and execution plan	Materials, safety, mobilisation and completion schedule	5
TOTAL		40

Minimum qualifying score at Stage II: 20 out of 40 marks. Only bidders meeting this threshold shall proceed to Stage III.

Stage III – Financial Evaluation (30 marks)

Price bids of bidders qualifying in Stage II only shall be opened. Financial score shall be calculated as:

$$\text{Financial Score} = (\text{Lowest Evaluated Financial Bid} \div \text{Bidder's Evaluated Financial Bid}) \times 30$$

The evaluated price shall be the total quoted price exclusive of applicable GST for the complete scope, subject to arithmetic checks and tender conditions. The lowest evaluated responsive bid shall receive 30 marks; other bidders shall receive proportionate marks.

5.1 Final Ranking

$$\text{Final Score} = \text{Stage I Score (max. 30)} + \text{Stage II Score (max. 40)} + \text{Stage III Financial Score (max. 30)}$$

The bidder with the highest aggregate score out of 100 shall be ranked first, subject to verification and approval by the competent authority. In case of a tie, the bidder with the higher Stage II score shall rank higher.

6. INSTRUCTIONS TO BIDDERS

6.1 Submission of Bids

- The tender document and corrigenda/addenda shall be published on www.gridco.co.in. Bidders shall check the website for updates.
- Bids must be received by **22.10.2026 up to 11 AM** at the exact address/mode specified in the final notice.
- Technical Bid and Price Bid must be submitted separately. For physical submission, place them in separate sealed envelopes inside a sealed outer envelope superscribed "**Tender for Odisha Pavilion at Bharat Renewable Energy Summit & Expo 2026, New Delhi**".
- Technical Bid must include eligibility documents, turnover evidence, similar-project proofs, team profile, non-blacklisting declaration, design proposal, dimensioned floor plan, elevations, 3D renders, material/finish specifications, preliminary itemised BOQ etc.
- Price Bid shall be kept separate. No price information shall appear in the technical bid or design presentation.
- All documents shall be signed by the authorised signatory. Late, incomplete or conditional bids may be rejected in accordance with tender conditions and applicable rules.
- The price quoted by the bidder shall be inclusive of all incidental, miscellaneous and petty expenses required for the satisfactory execution of the entire scope of work. The agency is expected to carefully assess the requirements and include all necessary items and arrangements in its BOQ and financial quotation. Minor items such as card-dropping bowls, flower bouquets, registration books, stationery and other similar accessories, which may be required during execution, shall be covered under the quoted price and shall not be charged separately.
- In case any additional work or requirement, beyond the scope envisaged in the tender, arises during execution, the same shall be communicated by GRIDCO

through email. The cost of such additional work, if approved by GRIDCO, may be considered on an actual-cost basis, subject to submission of supporting documents and approval by the competent authority.

- The agency is therefore advised to plan the activities comprehensively and make adequate provision in its BOQ and financial quotation to ensure smooth and satisfactory execution of the assignment.

6.2 Processing

- Eligibility documents shall be scrutinised first; only eligible bidders proceed to Stage I scoring and then to Stage II presentation.
- Only bidders achieving the Stage II qualifying score shall have their Price Bids opened.
- GRIDCO may seek clarifications or verify documents, but shall not permit material alteration of bids or confer unfair advantage.

7. SECURITY DEPOSIT

- No EMD or cost of tender paper is payable for participation in this tender.
- The selected agency shall submit a Security Deposit of ₹5,00,000 (Rupees Five Lakh only) by Demand Draft in favour of DDO, GRIDCO Limited, payable at Bhubaneswar, within three working days from issue of the work order.
- Submission within the stipulated period shall be a condition for commencement of work. Failure may result in cancellation of award and further action permitted under the tender and applicable rules.
- The Security Deposit shall be returned after successful completion of the assignment, satisfactory handover/dismantling and settlement of contractual obligations, subject to certification by GRIDCO.
- In the event of material failure to perform, abandonment, failure to complete by the stipulated deadline or other contractual breach, the Security Deposit may be forfeited after notice and consideration of the agency's response, in accordance with the contract and applicable rules. GRIDCO may also consider debarment/blacklisting from future tenders following due process and applicable rules.

8. TERMS AND CONDITIONS

I. Completion Schedule

The selected agency shall mobilise immediately after issue of work order. The pavilion must be completed and handed over by the deadline notified by GRIDCO/venue authorities before the event opens.

II. Payment Terms

Payment shall be made after satisfactory completion, submission of valid bills/invoices and supporting documents, and certification by the authorised officer, as per the work order. No advance shall be paid.

III. Delay and Deviation

The agency shall adhere to the approved design, BOQ and schedule. Any liquidated damages/penalty shall be specified in the work order and applied in accordance with applicable rules.

IV. Safety and Liability

The agency shall comply with venue and applicable safety requirements and shall be responsible for its personnel, materials, workmanship and damage caused by its work, subject to applicable law.

V. Right to Reject

GRIDCO reserves the right to reject any or all bids, cancel the tender process without assigning any reason or seek clarifications in accordance with applicable procurement rules. Award remains subject to due diligence and approval by the competent authority. If it is found that the awarded agency have done similar work in the same event with the similar space & design; then the price quoted lower to other organization will apply.

VI. Corrigendum

Any corrigendum/addendum shall be published on www.gridco.co.in and shall form part of the tender.

9. Point of Contact:

For any clarification regarding the tender, the bidder may contact the Public Relations Officer, GRIDCO (Mob: 7978349198).
