CANCELLATION NOTICE

This is for information of all prospective developers/bidders that the Request for Proposal (RFP) No. GRIDCO/RE Nodal Agency/E-Tender/02/2026-27 dated 29.04.2026 for consultancy services for ESIA pertaining to 225 MW UI FSPV project is hereby **Cancelled with immediate effect**.

This decision has been taken in order to align the proposed project with the provisions and benefits of the **Pradhan Mantri Surya Sarovar Yojana (PM-SSY)** recently approved by the Government of India, including the requirement for integration of **Battery Energy Storage Systems (BESS)** and other applicable scheme provisions.

A **new RFP** incorporating the BESS requirements and other relevant provisions of the PM-SSY scheme shall be issued in due course after completion of the necessary due diligence and approval process.

This notice is issued with the approval of the Competent Authority.
