SECTION - I PREFACE

GRIDCO intends to allocate water surface areas of Rengali Reservoir to well-established and reputed entities (Bidders) for development of floating solar PV projects in Odisha for their captive use.

ABOUT GRIDCO:

GRIDCO Limited, a wholly owned Undertaking of the Government of Odisha, was established in the year 1995. It is a deemed intrastate trading licensee under the 5th provision of Section-14 of the Electricity Act, 2003 and carries out the business of bulk supply of Electricity to the Distribution Companies of Odisha by utilizing the transmission network of Odisha Power Transmission Corporation Limited (OPTCL). Being the “State Designated Entity”, the Govt. of Odisha has assigned GRIDCO to avail the entire State share of Power from the Central Sector as well as the existing & upcoming power Plants (Hydel, Thermal, Renewable, etc.) in the State.

GRIDCO procures power from various Generators (both Central and State generating stations including IPPs etc.) for supply to the DISCOMs. GRIDCO also supplies emergency power to CGPs and trades the surplus power available if any from time to time. The supplies to the DISCOMs are made at a regulated price determined by the Odisha Electricity Regulatory Commission, whereas the surplus power, if any, after meeting the requirement of the State is sold to different Utilities Inside/Outside the State through Inter-State traders and Power exchanges.

INTRODUCTION

Under the Odisha Renewable Energy Policy 2022, issued vide Resolution No. 11757/ENG-HYD-HYDRO-0009/2022/En. dated 30.11.2022, GRIDCO has been entrusted as the state Nodal Agency for development and promotion of Renewable Energy in the state.

Vide Notification No. ENG-HYD-HYDRO-0032-2024/1018/En, dated 28.01.2025, the Energy Department, Government of Odisha, issued Guidelines for Establishing Floating Solar PV Power Projects on Water Bodies in Odisha that deals with allocation of water surfaces for installation of solar PV projects in the reservoirs. Under the provisions of these guidelines, this RfS is prepared to allocate water surfaces of Rengali reservoir in Odisha for setting up of captive projects.

Thus, GRIDCO intends to encourage and facilitate the development of Floating Solar Photovoltaic (FSPV) Projects in the state for captive use by the bidder and offers water surfaces in Rengali Reservoir of Odisha for setting up of FSPV projects on Build Own and Operate (BOO) basis. The water surfaces shall be awarded through Premium Based Competitive Bidding (PBCB) with e-Forward Auction (e-FA) process, a onetime premium paid for towards allocation of water surfaces of reservoirs on lease for a period of 30 years, following the Odisha Renewable Energy Policy 2022 including subsequent amendments and/ or guidelines issued, if any, made until the final date of submission of RfS stage of this tender. Apart from the one-time upfront premium, selected bidders shall be entitled to give INR 100 per acre per year as lease rent for water surface as per “Guidelines for Establishing Floating Solar PV Power Projects on Water Bodies in Odisha”. The bidders shall primarily consume the power generated from these plants for their own use. However, As per Clause 12(d) of the Operational Guidelines under the Odisha Renewable Energy Policy, 2022, GRIDCO shall have the first right of refusal for up to 20% of the installed capacity. The tariff for this 20% allocation will be determined by OERC.

NODAL AGENCY

- a. The Odisha Renewable Energy Policy, 2022 was notified on 30.11.2022 vide gazette notification No. 11757-ENG-HYD-HYDRO-0009/2022/En. to promote development of renewable energy projects in the state. As per Para 25.2 of the Odisha RE Policy, the Department of Energy was mandated to designate an entity as the Nodal Agency who shall be responsible for implementation of the RE Policy and development of all renewable energy projects in the State.

- b. Department of Energy, Government of Odisha vide letter no. 12284/En. dated 15.12.2022, has designated GRIDCO as the Nodal Agency for implementation of the RE Policy and has entrusted GRIDCO to discharge all the roles and responsibilities assigned to the Nodal Agency as per Para 25.3 of the Policy.

SECTION - V PROJECT SCOPE

TOTAL CAPACITY

The total offered water surface areas in the reservoir is as following:

Sr. No.	Reservoir Name	Section	Water Surface area (Acre)
1	Rengali Reservoir	A	2423
2		B	2772
Total			5195

Note:

- The price bid and E-FA process for Section B shall not be carried out for the H1 bidder of Section A areas.
- The bidder can apply capacity up to 150% of its current or anticipated load requirement.

The detailed diagram and coordinates is attached in the **Annexure 4**

SITE VISIT

The Bidder should visit and examine the work site and its surroundings to gather all necessary information for preparing their Bid response/proposal. The Bidder will bear the costs of the site visit, and GRIDCO will not be liable for any losses incurred during the visit.

The Bidder cannot hold GRIDCO liable for non-compliance due to missing prerequisite information. It is the Bidder's sole responsibility to gather all necessary information about the site, surroundings, working conditions, weather, etc., before submitting the bid response/proposal.

OBLIGATIONS OF BIDDER

- a. Submission of Preliminary Proposal by successful bidder for RESWC/SLSWCA/HLCA approval

Within 10 days of the GRIDCO's intimation of tender result to successful bidder, successful bidder shall submit a preliminary Proposal for RESWC/SLSWCA/HLCA approval as per the "Guidelines for Establishing Floating Solar PV Power Projects on Water Bodies in Odisha" issued vide notification number ENG-HYD-HYDRO-0032-2024/1018/En dated 28/01/2025. The general application/processing fee for RESWC/SLSWCA/HLCA approval shall be waived for successful bidder.

b. DPR Preparation

The L1 bidder shall prepare and submit a comprehensive Detailed Project Report (DPR) for the entire allocated project area. Submission of a DPR covering only a portion of the project site will not be allowed. The DPR must specify the total installable project capacity (in MW), and the bidder is required to develop the project for the full capacity indicated in the submitted DPR. Furthermore, the L1 bidder must ensure optimal utilization of the entire feasible surface area of the allocated project location as per the approved DPR. Partial utilization of the project area is strictly prohibited. However, phase wise execution of the project (declared upfront) will be allowed.

c. Obtaining water surface allocation and signing of lease contract

Within 45 days of receiving the LoA, the Bidder must submit their DPR. Once the DPR is approved, the water surface will be allocated to the Bidder, and a lease agreement will be executed with the Department of Water Resources (DoWR), Government of Odisha. If bidder fails to submit the DPR within the timeline, then GRIDCO has all right to cancel the LoA and CPBG which shall be forfeited.

d. Grid Connectivity:

The project must be designed to connect with the nearest substation of Odisha Power Transmission Company Limited (OPTCL) or ISTS, following the current OERC/CERC regulations. For grid interconnection and metering, the entity must comply with the applicable Grid Code, Grid Connectivity Standards, and Regulations on Communication Systems for transmission of electricity, along with other relevant regulations issued by the Appropriate Commission, Central Electricity Authority (CEA), and any other statutory bodies. The minimum voltage for interconnection should be 132 kV.

For power evacuation and interconnection with the OPTCL substation, bidders are allowed to create a shared pooling transmission infrastructure with other bidders. The responsibility for creating and maintaining this common infrastructure will be shared among all bidders, who can divide the costs based on their project capacities

e. Clearances Required from the State Government and other Local Bodies

For Clearances, the "Guidelines for Establishing Floating Solar PV Power Projects on Water Bodies in Odisha" issued vide notification number ENG-HYD-HYDRO-0032-2024/1018/En dated 28/01/2025 will be strictly followed.

f. Project Completion Period:

The scheduled completion period shall be 18 months from the date of financial closure or 22 months from the date of issuance of the Letter of Intent (LoI), whichever occurs earlier.

g. Timeline and consequences of Delay

For timeline and consequences of delay, the “Guidelines for Establishing Floating Solar PV Power Projects on Water Bodies in Odisha” issued vide notification number ENG-HYD-HYDRO-0032-2024/1018/En dated 28/01/2025 will be strictly followed.

h. Handover over the water surface

Upon the completion of the 30-year lease period, the Bidder must return the water surface to the Department of Water Resources (DoWR), Government of Odisha, free of any liens or encumbrances. Failure to do so will result in the Bidder being barred from participating in any future bids within the State of Odisha and appropriate legal action may be initiated.

OBLIGATION OF GRIDCO

GRIDCO shall facilitate the bidder in obtaining the consents, clearances, and permits, by providing letters of recommendation to the concerned authorities, as may be requested by the Bidder. However, GRIDCO shall not be accountable for any delays in obtaining the consents, clearances, and permits required for development of FSPV plant. It is the sole responsibility of the bidder to acquire all statutory clearances required for the project development. Further, GRIDCO shall facilitate the execution of lease agreement.

SECTION - VI EVALUATION OF BID AND SELECTION OF BIDDERS

Step 1: Techno-Commercial Evaluation of Bidders

- a. Bid evaluation will be carried out considering the information furnished by Bidders as per provisions of this RfS. The detailed evaluation procedure and selection of bidders are described in subsequent clauses in this Section.
- b. The Envelope A (Techno-Commercial Proposal submitted online) of only those bidders will be opened by GRIDCO whose required documents as mentioned in the RfS are received by GRIDCO. Bid opening (online) will be done only after the receipt of Bid security/ EMD.
- c. Documents received after the bid submission deadline as specified in the Bid Information Sheet shall be rejected and returned unopened, if super-scribed properly with address, to the Bidder.
- d. GRIDCO will examine all the documents submitted by the Bidders and ascertain meeting the eligibility conditions prescribed in the RfS. During the examination of bids, GRIDCO may seek clarifications/ additional documents in relation to the proposal submitted from the Bidders if required to satisfy themselves for meeting the eligibility conditions by the Bidders. Bidders shall be required to respond to any clarifications/ additional documents sought by GRIDCO within 07 (seven) working days from the date of such intimation from GRIDCO. All correspondence in this regard shall be made through email/ e-tender portal only. It shall be the responsibility of the Bidder to ensure that the email id of the authorized signatory of the Bidder is functional. The Bidder may provide an additional email id of the authorized signatory in the covering letter. No reminders in this case shall be sent. It shall be the sole responsibility of the Bidders to remove all the discrepancies and furnish additional documents as requested. GRIDCO shall not be responsible for rejection of any bid on account of the above.

- e. If it is found that only one or two Bidder(s) is/are eligible for the next stage, opening of the financial bid of the Bidder(s) will be at the discretion of GRIDCO. Thereafter, GRIDCO will take appropriate action as deemed fit
- f. The premium bid will be opened for the eligible bidders only.

Step 2: Opening of Premium Bid

In this step evaluations of Techno-Commercially eligible Bids shall be done based on “**One Time Upfront Premium for Water Surface Lease**” quoted by the Bidders in the Electronic Form of Financial Bid. After this step, the shortlisted Bidders shall be invited for the Forward Auction.

- a. Envelope B (containing the Premium Proposal submitted online) of only those bidders shall be opened whose techno-commercial bids are found to be qualified as per the RfS.
- b. As per the Guidelines for Establishing Floating Solar Photo-Voltaic (FSPV) Power Projects on Water Bodies, the minimum one-time upfront premium that the developer needs to pay is Rs 1 Lakh/ acre apart from an annual lease rent. For the allocation of water surface for development of FSPV project, the bidder shall quote the onetime premium over and above the minimum premium to be paid as per the aforesaid guidelines.
- c. Location wise e-FA shall be held and accordingly, Project Location shall be allocated to the successful bidder/s.
- d. After evaluation of Financial Bids, a list of qualified Bidders will be prepared. The Bidders will be ranked in descending order as H1, H2...., Hn. The H1 being the highest onetime upfront premium quoted by a Bidder.

Following table illustrates an example of ranking of bidders after financial bid opening and evaluation.

Bidder	Submitted Financial Bid	Ranking
B1	INR 1,10,000/ acre	H1
B2	INR 1,09,000/ acre	H2
B3	INR 10,8,000/ acre	H3
B4	INR 10,8,000/ acre	H3
B5	INR 10,7,000/ acre	H4

- e. If the first round of offered onetime premium/ acre is same for two or more Bidders, then all the Bidders with same premium offered shall be considered of equal rank/ standing in the order.

Step 3: Forward Auction

- a. The forward auction will be conducted through www.tenderwizard.com/gridco portal on the day as intimated by GRIDCO to the techno-commercially qualified Bidders.
- b. Unit wise forward auction will be conducted amongst all bidders.
- c. Regarding the date & time of conducting the e-FA, minimum 3 days prior intimation/ Notice will be given only to the bidders eligible for forward auction.
- d. The start base premium for e-FA will be H1. e-FA shall start from H1 as the minimum onetime premium offered by a bidder.
- e. Shortlisted bidders for Forward Auction will be able to login into the Tender Wizard portal 15 minutes before the start time of the auction event.
- i. Name of bidders shall be anonymously masked during the e-FA process, and its identity shall not be disclosed to anyone.
- ii. During the 15 minutes prior to start of the auction process, the respective upfront premium for water surface lease quoted by the bidder shall be displayed on its window.

- iii. The minimum increment value in premium shall be INR 1,000 per acre of water surface i.e. the Bidder can mention its revised onetime premium which has to be at least INR 1,000 more than its current upfront premium offered.
- iv. Bidders can improve their ranking by quoting the premium higher than their last quoted offer or above quoted offer of any other bidder, taking into consideration that the increment is in the multiples of minimum value as mentioned in the previous clause. However, at any stage, decrease in upfront premium will not be permissible.
- f. During forward auction, the Bidder shall not have the option of changing the water surface area quoted for lease by the bidders.
- g. In the bidder's bidding window, the following information can be viewed by the bidder:
 - It's offered upfront premium as the initial start premium and there after last quoted premium along with the water surface area proposed for leasing by the Bidder.
 - The list of all the Bidders with their following details: Pseudo Identity, last quoted upfront premium and water surface area proposed for leasing.
- h. At any point during E-FA, the quoted offer shall remain enabled for the bidders. The total Forward Auction period shall be unlimited, and the initial auction period (1st slot) will be of thirty (30) minutes with provision of auto extension by 10 (ten) minutes from the scheduled/extended closing time. If any fresh higher quote is received in last ten minutes of initial auction period or extended auction period, the duration of action would be extended automatically for next 10 minutes from the instant new offer is updated in the portal.
- i. If no revised offer, above the base premium, is received within the initial window of 30 minutes, the E-FA shall be closed at the end of 30th minute and base premium offered by the bidder shall be considered as the final premium.

- j. After conclusion of E-FA (the last updated premium in E-FA will be taken as the final offered onetime upfront premium quoted by the H1 bidder).
- k. Any new premium quoted by the bidder after closure of the E-FA shall be summarily rejected and shall not be considered as a valid offer under any circumstances. For this purpose, tender wizard server log shall prevail.
- l. The bidder shall not involve himself or any of his representatives in premium manipulation of any kind directly or indirectly by communicating with other bidders.
- m. Lease of water surface shall be awarded to successful bidder as per the result of the E-FA. The Bidder quoting the highest onetime upfront premium shall be given the first preference.

Step 4: Selection of Successful Bidders

- a. After conclusion of the unit wise forward auction process, the bidders, with their final one-time upfront premium for leasing of water surface areas offered will be recorded and a time stamping will be done.
- b. The bidders will be listed and ranked in the decreasing order of the upfront premium offered at the end of the auction. In case of a tie among two or more Bidders (i.e. their last quoted premium being the same), they will be considered in the chronological order of their last quoted premium during the auction process with preference to be given to that Bidder who has quoted his last offer during the auction, earlier than others.
- c. Section wise allocation of water surfaces to successful bidder shall be done as per highest quoted upfront premium.

Issuance of LoAs

- a. At the end of selection process, Letters of Award (LoAs) will be issued to the Successful Bidders. The LoAs shall be issued for the quoted water surface area by the respective Successful Bidder.
- b. If the Bidder does not accept the Letter of Award (LoA) within 7 days, GRIDCO reserves the right to cancel the LoA for that Bidder (H1) and issue a new LoA to the H2 Bidder.
- c. GRIDCO's decision with respect to the Premium Based Competitive Bidding and results shall be final and binding on all participating bidders.

E-FORWARD Auction (E-FA)

At least 3 days prior to Forward auction, an advance intimation regarding the date and time of the forward auction will be sent by e-mail to all the bidders whose technical bids have been opened and found to be qualified. However, from this advance intimation it shall not be construed by the bidders that they have been shortlisted for Forward Auction.

E-FA shall be carried out for each individual project separately. For each individual location highest

quoted premium will be set as “base premium” at the start of E-FA process.

The shortlisted Bidders for E-FA will be able to login into the E-tender portal www.tenderwizard.com/GRIDCO fifteen (15) minutes before the start time of the E-Forward Auction.

The ‘initial auction period’ will be for a period of thirty (30) minutes.

An auto extension shall be made for another Ten (10) minutes from the ‘scheduled closing time of the initial auction period’ once any qualified bidder quotes a premium higher than the base premium.

The auto extension of Ten (10) minutes will be termed as ‘auto extended auction period’.

If any Bidder quotes a premium higher than the highest premium in the auction floor during the ‘auto extended auction period’, then a new auto extension shall be made for an additional Ten (10) minutes from the ‘scheduled closing time of the extended auction period’ and so on.

If any Bidder does not quote a premium higher than the highest premium in the auction floor during the ‘auto extended auction period’, then the E-FA process will get automatically closed after the completion of auto extended period of 10 minutes.

The minimum increment value for premium shall be in the INR 1,000 from last quoted premium.

The Bidders can only quote any value higher than the highest premium quoted by any other Bidder. However, at any stage, a Bidder cannot decrease its premium or match the highest premium.
