## CORRIGENDUM 5

The following corrigendum is hereby issued in regards to the Tender No. 01/2021 dated 27/07/2021 floated by GRIDCO Ltd. for sale of surplus power under special scheme to the state industries with CGP through DISCOMs:

1. The last date and time of submission of bid document is hereby extended up to 12:00 hrs of 09/09/2021 and the date and time of opening of bid document shall be 13:00 hrs of 09/09/2021.
2. The supply period for this tender shall be from 15<sup>th</sup> September, 2021 to 31<sup>st</sup> March, 2022.
3. The bidders who have submitted their bids earlier under this tender, need to submit fresh bids in line with the provisions laid down in the tender document within the extended timeframe. However, such bidders need not submit the tender document fees. The EMD already submitted by them shall be adjusted against their fresh Bid, thus, they require to submit only the differential EMD amount if there is any change in the bid quantum and period of power supply.
4. Part of Clause 10 (Methodology of Evaluation) of the tender document is hereby amended as following:  
*“ ..... However, if there is a tie in both the bid price and bid quantum, then the tied parties shall be assigned the same bid ranking, and the available surplus power, if any, shall be allocated proportionately to the tied bidders. If one of the bidders tied at a bid ranking does not agree to off-take the proportionate power, then it shall be allowed to opt out of the tender process without forfeiting its EMD. In case of a tied bidder opting out of the tender process, then the available surplus power, if any, shall be distributed proportionately among the remaining tied bidders..... ”*

5. The following point shall be incorporated in Clause 12 (Selection of Bid) of the tender document:  
*"..... The decision of GRIDCO with regards to Bid Evaluation, Selection of Bid and allocation of power to bidders shall be final and binding on all the bidders."*
6. This corrigendum shall be read along with the original tender document and the previously issued corrigenda, i.e. Corrigendum 1 – 4.
7. If there is any conflict between a Clause of this corrigendum and a Clause of the tender document then the Clause in this corrigendum shall prevail.
