3. Qualification Criteria

The qualifying requirements for a bidder to bid for this tender are as follows:

- The bidder must quote not less than 10 MW quantum of power from single source of generation.
- The quantum of power offered by the bidder shall be firm power for the duration mentioned above.
- The bidder must submit the details of Bidder Company as per Annexure 'II' of tender specification for consideration of their bid.
- The bidder must submit the undertaking as per Annexure 'I' that General Terms & Conditions of the RFP Documents have been accepted unconditionally.
- If Bidder is a Trader, it shall submit a copy of valid Category license or equivalent Trading License issued by Appropriate Commission and it shall also submit a copy of executed power purchase agreement with the Generator/Supplier or an equivalent arrangement for supply of power and/or a copy letter of authorization from the generator / supplying utility.

NOTE: Bidders who are found qualified in technical Bid shall only be considered for opening of Financial Bid (IPOs)

4. e-Tendering and e-Reverse Auction

The Procurer(s) shall procure power using the e-Bidding portal by themselves or through an authorized representative (AR). The link for the e-Bidding portal is www.mstcecommerce.com, and is also available on the website of Ministry of Power (www.powermin.nic.in) and PFC Consulting Limited (www.pfcclindia.com).

The Bidders and Procurers or their AR shall have to be registered with the e-Bidding portal to create their own user id and password. For registration, the Bidders shall have to pay onetime non-refundable registration fee of Rs. 20,000/- plus applicable taxes.

All the Bidders would be able to participate in the e-Bidding events on making payment of the requisite fees of Rs 500 per MW for the maximum capacity; a bidder is willing to bid, to PFCCL. The requisite fee plus applicable taxes shall be deposited through the portal by e-Payment Gateway provided by MSTC Ltd. After the completion of the bidding process, only successful Bidder(s) will have to pay these charges for the quantum allocated to each bidder. The balance amount will be refunded by PFCCL within seven (7) working days without any interest. The fee deposited by Non Selected Bidder(s) will also be refunded by PFCCL within seven (7) working days of completion of the event without any interest.

All the users of the e-Bidding portal shall require valid digital signatures to have access to the portal. Each event of the auction would require independent digital signature of the Bidder.

The prospective bidders are requested to consult/contact this office and/or M/s MSTC Ltd. in time in case any difficulty is experienced by them regarding uploading of the bid since no last minute request for extension in opening of tender on this account will be entertained.

The prospective bidders are requested to be extra cautious while filling their bids and may get in touch with this office in case of any difficulty. Once the bids are opened, no request regarding giving relaxation or for overlooking any mistake committed by the bidder shall be entertained.

5. Tariff Structure:

The Bidder shall quote a single part tariff in Rs./ kWh at which it is prepared to deliver the energy at the delivery point. The price should be on the following basis:

- i. The **delivery point** shall be the **GRIDCO Periphery** i.e. the point of interconnection between CTU network and Odisha State Transmission System. If the power supplier is

located in the State of Odisha then the delivery point shall be the interconnection point of supplier terminal with STU terminal of Odisha.

The rate of offered power (in Rs./kWh) should be quoted at the delivery point (i.e. GRIDCO) and shall be inclusive of all other charges if any, i.e. capacity charge, energy charge, trading margin (in case of Bidder being a Trader), applicable Point of Connection (POC) charges up to Delivery Point and all taxes, duties, cess etc. imposed by Govt. of India as applicable on the date of opening of tender enquiry and should be limited to 3 **(three) decimal points**. The price/ rate quoted should be on constant/ firm basis for the requisitions mentioned in Clause-3 above and there shall be no escalation during the contractual period.

- ii. As per CERC (Sharing of Inter-State Transmission Charges and Losses) Regulations, 2020 short term withdrawal charges are not applicable to GRIDCO as it has LTA. Bidder shall file application on behalf of buyer (GRIDCO). The RLDC charges, application/ concurrence charges, transmission losses (Injection and Withdrawal losses) , transmission charges (Injection and Withdrawal charges) , if any, or any other charges covered under Open Access Regulations notified by Central Electricity Regulatory Commission (CERC) and the procedure for Open Access stipulated by the Central Transmission Utility (CTU) (as amended up to date) for supply of energy up to the delivery point shall be included in the sale price i.e. all the transmission charges, transmission losses, load dispatch centre charges, application/ concurrence charges or any other charges for purchase of energy up to the delivery point shall be borne by seller/bidder, if applicable.
- iii. In case Successful bidder is a trader or DISCOM with LTA then the application for open access shall be punched by successful bidder on behalf of GRIDCO. If, the successful bidder is a Generator/ DISCOM without LTA, then GRIDCO will apply for Open Access. In such cases, the open access charges upto the delivery point shall be reimbursed to GRIDCO within 3 working days of receipt of the bill from GRIDCO, beyond which Late Payment Surcharge (LPS) at 1.25% shall be applicable.
- iv. For avoidance of doubt, all applicable Transmission charges & transmission losses, all load dispatch Centre charges, all Application/ Concurrence Charges and all associated taxes, duties, cess upto the **Delivery Point** are onto seller's account.
- v. The tariff shall be constant and there shall be no escalation during the contractual period or later.

- vi. If power is being supplied through alternate source, additional charges and losses (if any), due to cancellation of existing corridor and booking of new corridor etc., shall be to the account of the seller. However, it shall be at sole discretion of GRIDCO whether to accept such request or not.

6. Sources

The bidder shall provide the details of source(s) of supply i.e. whether the energy will be supplied from a specific generating source or portfolio of sources (subject to the condition that GRIDCO shall be liable to pay the fee for only one application/ single source). The bidder shall specify the transmission path that will be used and further whether the bidder has transmission rights or other transmission mechanism in place or not.

If a bidder is not able to supply power, due to some constraint, from the original source, as per the offer/ LOI issued by GRIDCO, bidder shall have the option to schedule power from any alternate source at the same landed cost and any additional charges and losses if any, due to cancellation of existing corridor and booking of new corridor etc. shall be to the account of Bidders. However it shall be at sole discretion of GRIDCO whether to accept such request or not. In such case of non-acceptance of supply from alternate sources, the offered power will not be treated as part of availability and the non-availability shall fetch liquidated damages.

7. Submission of Bid

Bidders shall be required to submit separate non-financial and financial bids as under:

a. Non - Financial Bid:

This part will consist of following:

- i. Covering Letter indicating the list of documents enclosed in the envelope.
- ii. Bidder Company Data as per format annexed as **Annexure-II**.
- iii. Anti-collusion affidavit (**Annexure-III**), to be executed on non-judicial stamp paper.
- iv. Acceptance of "General Terms and Conditions without any deviations" in the prescribe format provided as **Annexure - IV**.
- v. The bidder shall give information about the sources from which bidder shall supply the power.
- vi. Copy of valid inter-state energy Trading License issued by CERC to deal in inter-state trading of energy. (In case of bidder being trader).
- vii. LoI (Letter of Intent) of Seller(s). (in case bidder being trader)

viii. Requisite Earnest Money Deposit (EMD) in original. The bids without earnest money deposit shall be outrightly rejected.

b. Financial Bid:

This part will consist of price bid for supply of energy to GRIDCO. Financial bid will be opened for the bidders whose non-financial bid is found to be in order.

Bidder shall submit his offer online in electronic formats both for Non-Financial and Financial bids. All the submitted documents should be stamped and signed by authorized persons. The bidders also need to submit the documents corresponding to the non-financial bid in original in the office of **Chief General Manager (PP), GRIDCO LIMITED, Bhoinagar, Janpath, Bhubaneswar, Odisha – 751022** prior to the opening of the bids. Conditional Financial bid shall not be accepted and will be summarily rejected.

Condition regarding e-Reverse Auction will remain applicable as per provision of DEEP-Portal. All the bidders should upload their tenders with all the annexures duly filled & complete in all respects. All bids must be accompanied by 'Earnest Money Deposit' at the rates prescribed in the tender documents. Bidder may upload any additional information / documents, which it feels is relevant to this tender. However, GRIDCO reserves the right to consider or reject this information at its sole discretion.

8. Earnest Money Deposit (EMD)/ Bank Guarantee (BG)

The Bidders are required to submit EMD for the maximum capacity which they wish to offer (in single bid or sum total of multiple bids) @ Rs. 30,000/- per MW per month (30 days, 24 hours) basis and same shall be reduced on prorata basis in case bids are invited on hourly basis. Example, for a requirement of 1 MW for 15 days for 4 hours, the EMD shall be Rs. $30,000 \times (15 \text{ days} / 30 \text{ days}) \times (4 \text{ hrs} / 24 \text{ hrs}) = \text{Rs. } 2,500/-$.

The EMD should be in the form of Bank Guarantee issued by any Nationalized/Scheduled Bank, as per the format provided at **Annexure V**, or Electronically Transfer through payment gateway provided by MSTC Ltd. in the portal. Bidder may also deposit EMD in the form of Demand Draft drawn in any Nationalised Bank/ Scheduled Commercial Bank in favour of "GRIDCO LIMITED" payable at Bhubaneswar. IFSC Code : UBIN0538086

Bids shall be summarily rejected if EMD of the stipulated amount is not accompanied with the bid. It is to be noted that the EMD shall carry no interest.

i. Forfeiture of EMD

The EMD shall be forfeited in the following instances:

- a. If the bidder withdraws or modifies bid during the bid validity period.
- b. For non-submission of Contract Performance Guarantee by Successful Bidder(s).
- c. The contractual obligations are not fulfilled satisfactorily.

ii. Refund of EMD

- a. The EMD shall be refunded on relevant request of the unqualified/ non-selected bidder(s) after 10 days of expiry of bid validity period.
- b. The EMD of the selected bidder(s) shall be refunded after submission of the Contract Performance Guarantee (CPG).

9. Contract Performance Guarantee (CPG):

- i. The Successful Bidder(s) may be required to furnish CPG within 7 days from the date of selection of Successful Bidder(s) for an amount calculated at Rs. 2 lac per MW per month (30 days, 24 hours) of contract period or part thereof. The CPG for the procurement of power on hourly basis shall be calculated on pro-rata basis as per the example given above for calculating EMD.
- ii. The CPG shall be in the form of BG issued by any Nationalized/Scheduled Bank as per the format provided at **Annexure V** and valid for the period of Contract with a claim period of 1 month after the expiry of contract period.
- iii. In the event, the CPG is not furnished within the stipulated date, the EMD submitted against the Notification shall be forfeited.
- iv. The CPG provided by the Successful Bidder(s) shall be forfeited for non-performing the contractual obligations. The CPG shall be released within 1 month after completion of Contract Period.

10. Bid Validity Period:

The offer shall remain valid till 45 days from the date of e-Reverse Auction (e-RA). The Bidders shall have no right to withdraw the offer or alter any terms and conditions during the

period of validity. In case the bidder withdraws or alters any terms and conditions during the period of validity, EMD submitted by the bidder shall be forfeited.

11. Bidding Process:

- i. GRIDCO has issued this RFP for procurement of power on short term basis as per details mentioned in clause 2 above and this RFP has been uploaded on the DEEP e-Bidding portal and GRIDCO's website (www.gridco.co.in).
- ii. The documents uploaded shall be digitally signed using the Digital Signature Certificate (DSC). Bidders should take note of all the addendum/corrigendum related to the RFP and upload the latest documents as part of the Bid.
- iii. The process of e-Bidding shall be conducted online, in accordance with the provisions laid herein. Each e-Bidding event shall comprise of two parts i.e. e-Tender and e-Reverse Auction. To participate in the event each Bidder will have to specify the source(s) of power for that particular bid. Each bid will have only one price per requisition accompanied by total quantum of power the Bidder intends to supply and minimum threshold quantum acceptable to the Bidder. However, the Bidder shall have the option to choose the requisition of an event in which it intends to participate. Each of the bid will have to be signed by the Digital Signature of the Bidder.
- iv. The Bidder shall use one Digital Signature to submit bid through one login and for each login the Bidder may submit only one price bid from one source. However, against each requisition the bidder have the option to bid multiple bids from separate logins from different sources. The bidder needs to ensure that only one bid is submitted from one source. In the event if two bids are received from the same source, both bids would be treated as non-responsive.
- v. Bidders shall be required to submit separate non-financial technical Bids and Financial Bids i.e. Initial Price Offer (IPO) through e-Bidding portal. The Bidder will have the option to indicate their minimum threshold quantity and the same would be considered for allocation of power to the Bidder(s). The non-financial Bids shall contain the acceptance of general terms and conditions without any deviation and information about the sources from which the Bidder shall supply the power. Bidders shall also be required to furnish necessary EMD along with the Bids. The Bidders can revise their IPOs before date and time of submission of RFP.
- vi. The IPO shall be strictly as per the terms of RFP and shall be unconditional. The conditional price bid shall be summarily rejected.

12. Compliance to the terms and conditions:

The Bidders are advised to ensure that the bid is fully compliant with the requirements specified, terms and conditions contained in the Bid Document.

13. Payment term/Payment security to be made available by the Procurer

- i. The Procurer shall be required to provide revolving Letter of Credit (LC) equivalent to 100% of the weekly energy corresponding to Contracted Capacity at the tariff indicated in LoA. LC shall be opened prior to commencement of supply of power.
- ii. The LC will be used only as a payment security mechanism. In the event payment is not made within 30 days from expiry of Due date as mentioned in payment clause of LoA, then the seller will have the right to realize the payment through LC.

14. Opening and Evaluation of Bids:

- ii. To ensure competitiveness, the minimum number of Bidders should be at least two for each requisition. If the number of Bidders responding to the RfP is less than two, then it is at the sole discretion of GRIDCO to continue with the selection process.
- ii. The Procurer shall constitute a Standing Committee for evaluation of the Bids.
- iii. Technical proposals will be opened by the Procurer or its Authorized Representative electronically from the website stated above, using their Digital Signature Certificate.
- iv. Technical proposals for those tenders whose original copies of DD/BG towards EMD have been received and who have deposited the e-Bidding Fee will only be opened. Proposals corresponding to which original document proof towards EMD has not been received, will not be opened and will stand rejected.
- v. The Procurer or its authorized representative can seek clarifications/ documents required in connection with technical bid. After acceptance of the non-financial technical Bids, the Financial Bids, Initial Price offer (IPO) shall be opened as per the procedures specified in the Bid document.
- vi. In the event, if two or more Bidders quote the same amount of Tariff during IPO and e-Reverse Auction stage, the time of submission of bid will be the deciding factor for their ranking.

15. Elimination of Bidders:

The elimination of the Bidders shall be done by the following method:

After the opening of Initial Price Offers (IPO), the system will rank the Bidders according to their price bids. The Bidder with the highest price bid in IPO stage will be called the H1

Bidder. The system will then analyze all the quantities offered by the Bidders in the IPO stage. If the total quoted quantity is greater than twice the Requisitioned Quantity, the Highest Bidder (H1) will be eliminated provided that the total quoted quantity after elimination is not less than or equal to twice the Requisitioned Quantity.

The Elimination process will be done for each of the requisition separately.

16. E - Reverse Auction (e-RA):

- i. The shortlisted Bidders after elimination will be intimated individually by system generated emails only.
- ii. The Reverse auction should start within 120 minutes of opening of Initial Price Offers and shall continue for a period of next 120 minutes without any extension (automatic or otherwise).
- iii. During the Reverse Auction the shortlisted Bidders will have the option of reducing the tariff quoted by them in decrements of One (1) paisa or multiples thereof and to increase the quantum quoted by them One (1) MW or multiples thereof. During the Reverse Auction the prevailing Lowest Tariff would be visible to all the Bidders.
- iv. The Bidders will have the option to increase the quantum of power up to the value corresponding to the EMD submitted along with IPO, but decrease the Tariff during the e-Reverse Auction process.

17. Issuance Of Letter Of Award (LoA):

- i. The Bidder after the e-RA process will be ranked in accordance with the tariff offered in ascending order. The list would also include the name, quantum offered and tariff quoted by those qualified Bidder(s) who have not changed the quantum of power and tariff from IPO stage to e-RA stage. The Bidder(s), in order of their rankings, offering the quantum of power up to the requisitioned capacity would be the Successful Bidder(s).
- ii. GRIDCO shall procure power from the Successful Bidders in the order of their rankings decided on the basis of tariff quoted by them until the entire Requisitioned Capacity is met.
- iii. GRIDCO shall have the right to issue Letter of Award (LoA) to the Successful Bidder(s) in the same order to fulfil its requirement, which can be lower than the Requisitioned Capacity but not less than the quantum of Lowest Bidder. In the event GRIDCO rejects or annuls all the bids, it may go for fresh bids. If GRIDCO fails to issue the LoA within the offer validity period, the Successful Bidder(s) shall have the option to exit without forfeiting the EMD.

- iv. In case the Selected Bidder(s) is allocated a quantity of power less than the minimum threshold quantum mentioned by it, it shall have the option to exit without forfeiting the EMD.
- v. In case the LoA is issued but Selected Bidder(s) is/are not in a position to fulfil the requirement, due to any reason, the EMD/CPG shall be forfeited as the case may be.
- vi. After selection, a Letter of Award (the "LoA") shall be issued, subsequent to approval by Hon'ble OERC (as per requirement), in duplicate by GRIDCO to the Selected Bidder(s) and the Selected Bidder(s) shall, sign and return the duplicate copy of the LoA in acknowledgement thereof. In the event the duplicate copy of the LoA duly signed by the Selected Bidder(s) is not received by the stipulated date (7 days from the issuance of LoA), GRIDCO may, unless it consents for extension of time for submission thereof, forfeit the EMD of such Bidder as Damages on account of failure of the Selected Bidder(s) to acknowledge the LoA. Selected Bidder(s) will initiate the process of submission of Open Access application on behalf of GRIDCO immediately after receipt of LOA.
- vii. The LoA issued to the successful bidder and his acceptance/ acknowledgement shall be deemed as having entered into an agreement for purchasing accepted quantum of power for the duration/ period as mentioned in the LoA. No separate Power Purchase Agreement (PPA) will be signed by GRIDCO. In the event of any commercial / operational dispute arises, the LoA and unconditional acceptance shall be treated as a legal document in the court of law.

19. Right to Accept/ Reject the bid:

GRIDCO reserves the right to reject any or all bids or to accept any bid in full or part at its sole discretion without assigning any reasons whatsoever there off. For the avoidance of doubt, it is clarified that GRIDCO also reserves the right to alter the quantities of power/ split the quantities of power as fully described, amongst more than one selected bidder for the same requisition. (The quantity will be awarded in the order of lowest to highest rate i.e. after exhausting bided quantum of lowest bidder considering transmission availability, etc). The decision of GRIDCO shall be final and binding on the bidders in this respect and no further correspondence shall be entertained by GRIDCO in this regard.

20. Modification of the Bid Documents:

GRIDCO reserves the right to modify terms and conditions of the Bid Documents prior to the submission of the bid by the bidder by issuing amendment(s)/ corrigenda and such amendment(s)/ corrigenda shall form part of bid documents.

21. Governing Law:

All matters arising out of or in conjunction with the Bid Documents and/or the bidding process shall be governed by and construed in accordance with Indian Law and the courts of Bhubaneswar shall have exclusive jurisdiction.

22. Disclaimer:

Neither GRIDCO nor its employees shall be liable to any Bidder or any other person under any law including the law of contract., tort, the principles of restitution or unjust enrichment or otherwise for any loss, expense or damage which may arise, or be incurred, or suffered, in connection with the bid, or any other information supplied by or on behalf of GRIDCO or its employees. For the avoidance of doubt it is expressly clarified that this Bid document is an offer to bid and its subject to the award of LoA/ PPA by GRIDCO and acceptance of the LoA by the selected bidder will be construed as acceptance of terms and conditions as per **Annexure I.**

b. Open Access Bill /Compensation bill:-

- i. The due date for the payment of OA bills & compensation bills (as per Clause 17) is 7 days from the issue of bill (excluding the day on which the bill is received). No rebate is applicable on open access bills and compensation Bills (with GST).
- ii. Delayed payment surcharge for the OA & compensation bills shall be 1.25% per month on all outstanding payments after the due Date of payment.

7. Payment of Liquidated Damages for failure to supply the Instructed Capacity:

- i. Both the parties would ensure that actual scheduling does not deviate by more than 15% of the contracted power as per the approved open access on monthly (requisition) basis.
- ii. In case deviation from GRIDCO side is more than 15% of contracted energy for which open access has been allocated on monthly (requisition) basis, GRIDCO shall pay compensation at 20% of Tariff per kWh for the quantum of shortfall in excess of permitted deviation of 15% while continuing to pay open access charges as per the contract.
- iii. In case deviation from Seller side is more than 15% of contracted energy for which open access has been allocated on monthly (requisition) basis, Seller shall pay compensation to GRIDCO at 20% of Tariff per kWh for the quantum of shortfall in excess of permitted deviation of 15% in the energy supplied and pay for the open access charges to the extent not availed by the GRIDCO.

8. Consequences on Sale of Contracted Power to Third Party without consent of GRIDCO

- a. In case the Seller fails to offer the contracted power as per the Agreement to the GRIDCO and sells this power without GRIDCO's consent to any other party, the GRIDCO shall be entitled to claim damages from the Seller for an amount equal to the higher of : (a) twice the Tariff as per the PPA for the corresponding contracted power; and (b) the entire sale revenue accrued from Third Parties on account of sale of this contracted power. These damages shall be in addition to Liquidated Damages as per clause of existing tender, for failure to supply the Instructed Capacity.
- b. On a complaint to this effect by the GRIDCO to the concerned load dispatch centre, the Seller shall be debarred from participating in power exchanges and also from scheduling of this power in any short term/ medium term / long term contracts from that generating station for a period of three months from the establishment of default, in the complaint. The period of debarment shall increase to six months for second default and shall be one year for each successive default.

9. Force Majeure:-

Force Majeure events shall mean the occurrence of any of the following events:

- i. Any restriction imposed by RLDC/SLDC in scheduling of power due to breakdown of Transmission/Grid constraint shall be treated as Force Majeure without any liability on either side.
- ii. Any of the events or circumstances, or combination of events and circumstances such as act of God, exceptionally adverse weather conditions, lightning, flood, cyclone, earthquake, volcanic eruption, fire or landslide or acts of terrorism causing disruption of the system.
- iii. The contracted power will be treated as deemed reduced for the period of transmission constraint. The non/part availability of transmission corridor should be certified by the concerned RLDC/SLDC.
- iv. GRIDCO would return the CPG in case of non-availability of transmission corridor during the contract period.

10. Change in Law:

Change in law shall include the following:

- a. Any change in transmission charges and open access charges
- b. Any change in taxes (excluding), duties, cess or introduction of any tax, duty, cess made applicable for supply of power by the Seller.

11. Arbitration:

- i. Where any dispute arises claiming any change in or regarding determination of the tariff or any tariff related matters, or which partly or wholly could result in change in tariff, such dispute shall be adjudicated by the Appropriate Commission.
- ii. All other disputes shall be resolved by arbitration under the Indian Arbitration and Conciliation Act, 1996.

12. Court Jurisdiction:

All differences or dispute between the parties arising out of or in connection with this banking arrangement, which fall beyond the appropriate commission under Electricity Act, 2003, shall be governed by Law of India and subject to jurisdiction of Courts situated in Bhubaneswar only to the exclusion of all other courts.

13. Termination:

GRIDCO reserves full right to terminate the transaction as per this tender in case the successful bidder(s) fail(s) to abide by the stipulated terms and conditions. In such an eventuality GRIDCO shall neither be responsible nor liable for any loss suffered by the successful bidder(s).
